PRESS RELEASE
February 1, 2021

Saugatuck Township Continues Taking Steps to Prevent the Spread of COVID-19

FOR IMMEDIATE RELEASE –

(Saugatuck Township, Allegan County, Michigan) February 1, 2021

On January 22, 2021, the Michigan Department of Health and Human Services (MDHHS) announced an extension of the partial shutdown via a new epidemic order that prohibits most “gatherings” and places significant restrictions on in-person office operations. New modifications allow additional indoor activities. Due to these restrictions and out of an abundance of caution, the Saugatuck Township Hall will continue to be closed temporarily until further notice to limit the spread of the outbreak. The Township will continue to review current guidance from the CDC, MDHHS, and the Allegan County Health Department. Please visit www.michigan.gov/coronavirus for more information about the new epidemic order.

During this time, all customer service requests will continue to be handled via remote telephone or email correspondence. Please call 269-857-7721 or email info@saugatucktownship.org for service; staff will be glad to assist you. If you call the office, please leave a voicemail. The voicemail box will be checked regularly. The Township will be setting up limited appointments through the Month of February. To schedule a walk-in appointment please email the staff member you are requesting to meet with or call the Township Office. Masks and temperatures will be required. This is an unprecedented public health situation and remains extremely fluid. The Township will continue to evaluate options for office operations and public meetings as additional information and further guidance is made available by federal, state, and local officials. Please visit www.saugatucktownship.org for updates.

If you have any questions about this information, please contact Joe R. Frey Interim Saugatuck Township Manager, at 269-857-7721 or manager@saugatucktownship.org. In the case of an emergency, please call 911. Thank you in advance for your cooperation, patience, and flexibility during this process.
