SAUGATUCK TOWNSHIP CONSOLIDATED FEE SCHEDULE April 5, 2017

Article I – General Provisions

Purpose. This Consolidated Fee Schedule shall establish and require the payment of fees for administrative expenses incurred by the Township of Saugatuck, in processing requests for reviews, approvals, permits, certificates, inspections, meetings, licenses, ordinance amendments, and such other requests requiring action by the Township of Saugatuck; as allowed or provided by federal, state, county, or local law or ordinance.

Definition. For purposes of interpreting this Consolidated Fee Schedule, the following words and phrases in this section have the following meanings:

Applicant. Any person who requests, or is required by law to receive from the township any review, approval, denial, inspection, permit, certificate, license, hearing, meeting, ordinance amendment or other administrative or legislative action by the township for which a fee has been established.

Fees. Fees mean those sums of money established and required to be paid to the township as a charge for administrative or legislative activity in accordance with the provisions of this fee schedule which are a part hereof.

Inspection/Review Escrow. Sums of money required to be deposited by an applicant with the township from which actual costs for inspection and/or review services required by the township will be paid.

Township. Township of Saugatuck, including its officers, employees, boards, commissions, agents, and professional consultants.

Article II – Fee and Escrow Regulations

Time of Payment. Fees shall be paid by the applicant at the time a request for action is submitted to the township. The inspection/review escrow shall be paid to the township prior to commencing any construction or site alterations which will require inspection and/or review.

Non-Payments. No application, petition, or request from an applicant shall be accepted, reviewed, processed, or acted upon until the required fees or escrow are paid. Checks used for payment must be finally paid by the payer bank and unconditionally credited to the township's account in order for fees or escrow to be considered paid.

Duplicate of Escrow. Upon a request from an applicant, the township board may waive or reduce any escrow upon a finding that the applicant has supplied an escrow to another governmental agency for the same service and that the other governmental agency's inspection and/or review will satisfy the purpose for which the township inspection and/or review is required.

Duplication and Escrow. The fees set forth in the schedules are intended to reflect the actual cost of the administrative or legislative activity indicated as of the date of the schedule, and as such, may be hereafter amended by the township board.

Additional Escrow. The township may at any time, require the applicant to place additional monies in escrow if the township reasonably determining existing escrows to be insufficient to cover anticipated inspection or review services. Where the actual cost of providing inspection or review exceeds or is anticipated to exceed the escrow which has been paid. The township may bill the applicant for the excess costs which shall be paid prior to any further inspection or review by the township.

Refunds of Escrow. Where the actual cost of inspection and/or review is less than the escrow which has been paid, the township will refund the unused portion within 30 days of completion of the project which required inspection and/or review.

Waiver of Fees. Where an applicant is a township official, agent, or employee making a request for the purpose of receiving assistance, clarification, or guidance on a matter within his duties and responsibilities, no fees shall be required to be paid.

Reduction of Fees. Fees established pursuant to this schedule may be waived or reduced by the Saugatuck Township Board in accordance with this section.

A. Fees may be waived or reduced by the township board if any of the following conditions exist:

1. If the applicant can demonstrate that the actual costs to the township are materially less than the fees proposed to be charged.

4. Any other reason as determined by the township board in its sole discretion.
