

SECTION #20 INTERCEPTOR DRAIN
SAUGATUCK TOWNSHIP

TO WHOM IT MAY CONCERN:

EMERGENCY MAINTENANCE DECLARATION

I, Denise Medemar, County Drain Commissioner of the County of Allegan, having had the Section No.20 Interceptor Drain inspected, have determined and declare that an emergency condition exists that endangers the public health, crops, or property within the drainage district known as the Section No.20 Interceptor County Drain. Therefore, I will be proceeding with maintenance repairs that exceed the \$5,000 per mile of drain limitation as allowed under Section 196 (8) of the Michigan Drain Code, Public Act 40 of 1956, as amended, to alleviate the emergency condition.

RE: Section 20 Interceptor Drain
Saugatuck Township, Section(s) #: 20

The interceptor drain (an enclosed tile drain parallel to Lakeshore Drive) portion of the Section 20 Interceptor drain was recently inspected as part of our annual inspection program for these types of drains along the lakeshore. The results of the inspection was that the northern portion of the enclosed tile interceptor drain is obstructed with roots and needs to be cleaned out as soon as possible in order to protect the integrity of Lakeshore Drive and the bluff. This maintenance is expected to take place in the next couple weeks and take a day or two to complete. The contractor for this maintenance will be Plummer's Environmental Services Inc.

Your cooperation is always appreciated in these matters. Should you have any questions, concerns or input that you'd like us to consider, feel free to contact me at bscholten@allegancounty.org as soon as you receive this letter.
