

# Coming Soon!

**Over five fenced acres of off-leash fun for you and your best friend**

- Separate large and small dog play areas
- Wooded walking trails
- Waste pick-up bags and water
- Area for canine special event rental, classes and future agility equipment
- Centrally located just east of I-196 and south of the Blue Star Highway

**Saugatuck Township is allowing us to use their property, but we need **YOUR** help to develop Tails 'n Trails.**

An estimated \$20,000 is needed to fence and develop the park. However, in-kind contributions of materials and skills will lower that cost considerably. **All donations are generally tax deductible**, but you should check with your tax preparer regarding your situation.

## How can you help?

### Can you donate money?

It's as simple as sending in the form on the back of this sheet with your check.

### Would you like to honor a loved one (pet or person) or their memory with a donation to purchase a park bench, a section of fence or recognition in the pavilion?

A permanent plaque with your message will be displayed on the items you sponsor. Larger memorial donations for entire dog play areas, agility equipment and the like are also welcome. Please call for details.

### Feeling creative?

Purchase a section of our entryway and leave your own permanent mark in the concrete.

### Can you or your business help us with...
