Saugatuck Township Continues Taking Steps to Prevent the Spread of COVID-19 & Return to Zoom Meetings

FOR IMMEDIATE RELEASE –
(Saugatuck Township, Allegan County, Michigan) August 13, 2021

On August 10, 2021, the Allegan County Health Department (ACHD) announced that based on CDC indicators, Allegan County has entered a High Level of Community Transmission. The latest 7-day average test positivity rate is 15.13% (7/31/21-8/6/21). Due to the overall case increases, the increased Delta variant numbers, and out of an abundance of caution, the Saugatuck Township Hall will revert to scheduled appointments and only one (1) party inside the office at a time until further notice to limit the spread of the outbreak. The Township will continue to review current guidance from the CDC, MDHHS, and the Allegan County Health Department.

During this time, we encourage all customer service and appointment requests be handled via telephone or email correspondence. Please call 269-857-7721 for service. Email addresses are listed on the Township website. Beginning August 18, 2021, all Township meetings will return to Zoom. Meeting information can be found on the Township website. The Township will continue to evaluate options for office operations and public meetings as additional information and further guidance is made available by federal, state, and local officials. Please visit www.saugatucktownship.org for updates.

If you have any questions about this information, please contact Joe R. Frey Saugatuck Township Manager, at 269-857-7721 or manager@saugatucktownship.org. In the case of an emergency, please call 911. Thank you in advance for your cooperation, patience, and flexibility during this process.
