Public Participation

The public will be able to listen to all discussion by the Township Board, Planning Commission, and Park Commission and all official materials for the meeting. Official materials prepared for the Township Board and Commissions will be included in the meeting packet and available to the public on the website. Individuals will be permitted to speak for up to 3 minutes during the public comment sections of the agenda, which will be at the beginning of the meeting and the end of the meeting. The Supervisor/Chair, with assistance from the Township Manager, will facilitate the public comment periods.

Upon request for public comment, please state your name and your intention to comment. The Township Manager/Supervisor/Chair will create a list of those who wish to speak. The time limit for an individual's public comments shall be 3 minutes. Once the list is created, the Supervisor/Chair will recognize each individual on the list to speak. Upon conclusion of the names on the list, the Supervisor/Chair will make one more call for public comment where those who have not already spoken may be recognized to speak. If none, the Township Board or Commission will continue with the meeting.

The public, whether or not they are joining the hybrid public meeting, may submit written comments and/or questions regarding any matter, including items of business on the agenda at any time. Those submitted prior to 12:00 noon the Thursday before the meeting will be included in the packet for the

meeting. Those submitted after 12:00 noon Thursday after the meeting, but prior to the beginning of the meeting will be shared with the Township Board or appropriate Commission and acknowledged during the meeting.
