

**SAUGATUCK TOWNSHIP PLANNING COMMISSION**

June 23, 2008

The Saugatuck Township Planning Commission met on June 23, 2008, at the township hall on Blue Star Highway, Saugatuck, Michigan 49453, for a workshop meeting on proposed ordinances.

Present: Edris, Hanson, Milauckas, and Rowe  
Absent: Darpel, Jarzembowski  
Also present: Planner Sisson.

Chairman Hanson called the meeting to order at 6 P.M. No public comment was offered when the chairman asked for it.

Hanson called the workshop meeting to order at 6 p.m., with all members present except Darpel and Jarzembowski. After a presentation on the anti-funneling ordinance draft by planner Sisson, the commission discussed the current draft 5 dated 6/13/08.

Commissioner Milauckas was concerned about the limitation of the number of lots that could access the water under the section on accessory use of developed residential lots or parcels (sec. 910). Sisson explained that this limitation could be overcome by creating a true keyhole parcel, where the number of lots could be greater. This explanation did not completely satisfy Milauckas' concerns.

Meeting adjourned at 6:55 P.M. The regular meeting followed at 7:00 P.M.
